

Breathing Circuits (Disposable)

Intermittent Positive Pressure Breathing Circuits

For Bennett and Bird Respiration Units

BR-81351 Manifold, exhalation valve, nebulizer, 39" main tube, 78" exhalation line, 78" nebulizer line, Bird tube adapter, drive line "T" adapter, mouthpiece, retainer clips 50/box

For Bennett AP4 and AP5, I.P.P.B. Therapy Units

BR-81360 Manifold, exhalation valve, nebulizer, 39" main tube, 78" exhalation line, 78" nebulizer line, mouthpiece, retainer clips 50/box

Portable Ventilator Circuits

Puritan-Bennett - Companion - 2800

BR-64693 72" main tube, manifold and exhalation valve assembly, 78" pressure airway line, 78" exhalation line, 6" flex tube, retainer clips, elbow with port inlet 15/box

Puritan-Bennett - Companion - 2800

BR-64694 72" main tube, manifold and exhalation valve assembly, 78" pressure airway line, 78" exhalation line, 6" flex tube, retainer clips, elbow with port inlet, plus 18" cascade corrugated tubing 15/box

Puritan-Bennett - Companion - 2801

BR-64698 72" main tube, manifold and exhalation valve assembly, 78" pressure airway line, 78" exhalation line with special Bennett Connector, 6" flex tube, retainer clips, elbow with port inlet 15/box

Puritan-Bennett - Companion - 2801

BR-64699 72" main tube, manifold and exhalation valve assembly, 78" pressure airway line, 78" exhalation line with special Bennett Connector, 6" flex tube, retainer clips, elbow with port inlet, plus 18" cascade corrugated tubing and 22mm I.D. x 22mm O.D. filter 15/box

Life Products - Aequitron for LP5, LP6, LP10

BR-64673 72" main tube, manifold and exhalation valve assembly, 78" pressure airway line, 78" exhalation line, 6" flex tube, retainer clips, elbow with port inlet 15/box

Life Care - PLV-100 and PLV-102

BR-64677 72" main tube, manifold and exhalation valve assembly, 6" flex tube, 78" pressure airway line, 78" exhalation line, retainer clips, elbow with port inlet 15/box
